

LED Surface Star

Magic Lite presents

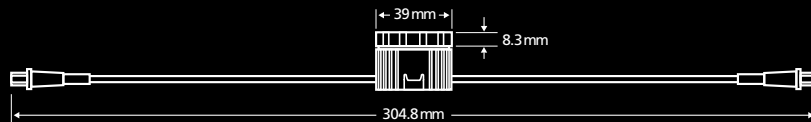

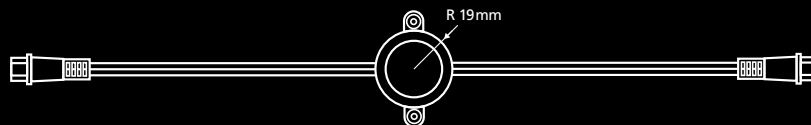

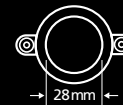

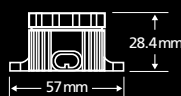

LED Surface Star

An extremely versatile, compact LED fixture suitable for a large variety of applications.

Made of cast aluminum, LED Surface Star is extremely robust and is completely sealed so it can be used indoors or outdoors. At just 1.2 watts, each fixture is stingy on power and strong on light emission – powerful enough as a light source for shelf or counter lighting or as a point source for building outlines! Each fixture comes with molded quick connectors for easy installation and our various lengths of joiner cables allow you to space the fixtures exactly where you want them.

Why Choose LED Surface Star?

- ✓ Long Life – 60,000 hours for white, blue and green, 100,000 hours for red and amber
- ✓ Low power consumption – 1.2 watts
- ✓ Safe, 12 volt, Class 2 power supply
- ✓ Fixture remains cool to touch
- ✓ Up to 45 fixtures from one 60 watt power supply
- ✓ cUL listed for indoor or outdoor use
- ✓ Compact size 39mm diameter x 28.4mm height
- ✓ Easy Installation – each fixture comes with mounting tabs and quick plug type connectors
- ✓ 2 year limited warranty

Applications

- Under cabinets
- Shelf lighting
- Cabinet and showcase lighting
- Displays and exhibits
- Aisle Lighting
- Pathway lighting
- Deck and patio lighting
- Architectural outline lighting
- Merchandising
- Decorative applications
