

**MAGIC LITE LTD.**

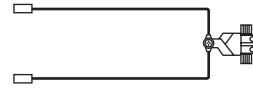

### ***Zengo II Cable Lighting Systems***

*Zengo II cable light system by Magic Lite Ltd. represents a giant leap forward in trapeze lighting systems. Uncompromising quality, superb engineering and surprising affordability blend to make Zengo II one of the most versatile lighting products available to professional specifiers.*

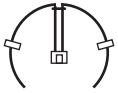

*Zengo II Cable Lighting Systems is a low-voltage lighting system with two current carrying cables. Its flexible construction combined with a large selection of fixtures make this series suitable wherever modern and varied lighting is in demand. Applications include foyers, restaurants, offices, boutiques, private rooms and public event areas.*
