

# Xenon Wall Light

Xenon Wall Light by Magic Lite Ltd. provides a safe, attractive and affordable way to light interior and exterior steps, aisles, halls, paths, patios and entrance ways.

Recess or Wall Mount

Xenon Wall Light (XWL) comes with an 18 watt xenon lamp. Both the cover and the can of the Xenon Wall Light are constructed of die cast aluminum for corrosion protection and strength. The XWL is suitable for both interior and exterior applications and comes with integral 12 volt transformer and housing for easy installation. Our concrete cap accessory makes concrete pour installations fast and easy.

There are three decorative covers to choose from: Louvre, Scoop or Prism. Each cover is available in White, Black, Brushed Aluminum or Bronze.
